

## Homework 9: Computer Exercises

Due Friday April 8

Econ 29000

Kevin R Foster, CCNY

For **Computer Exercises**, your study group should hand in a single assignment. When submitting assignments, **please include your name and the assignment number as part of the filename**. Please write the names of your study group members at the beginning of your homework.

Each person in your group should choose an academic paper related to your choice of topic for a final project. Write a straightforward summary of the paper. This initial overview should be about 500 - 1000 words. The group should submit one document that combines the multiple summaries.
